Hi Carl,

A few of us cannot do June 5. Could you propose additional dates/times that would work for RACER and TIG Environmental in the coming month? The week of June 15 or June 22 would be preferable for me.

Thanks,  
Margo

Hi Jim and Margo: Our consultant TIG Environmental has asked if we could schedule the PRP briefing for early afternoon (say 1pm EDT) on Friday, June 5<sup>th</sup>. Would that date and time work for you and the rest of the R2 Team? Thanks. --Carl
